

REMARKS

On August 14, 2007, the Examiner and Applicant's attorney had a telephonic interview. Applicant and Applicant's attorney thank the Examiner for the telephonic interview. During this interview, the Examiner and Applicant's attorney discussed the standing 35 U.S.C. § 112 rejection. It was agreed that independent claim 1 does not in fact have an antecedent basis problem, but that independent claims 13 and 24 as drafted lacked antecedent basis for the limitations "said program code" and "said additional program code." Claims 13 and 24 are amended herein to eliminate this problem.

Applicant respectfully posits that the claims as amended are now allowable. If the Examiner would like to discuss this matter, Applicant's attorney can be reached at 650-474-8400.

Respectfully submitted,
